Lunch Menu - w/c 7th March 2022 : Week 1

Message from Miss Sargent

Welcome back!

This week has felt like we are gradually returning back to some kind of 'normal.' Lunchtimes have returned to our pre-Covid routine. Children are able to go outside to play as soon as they finish eating. We know that it may take some time for them to adjust to sharing the playground with more children but it was so nice to see them all playing together.

On Monday, it was the Crofty inset training day. It has been two years since we have all been able to meet face to face with our colleagues from the other eight Crofty schools. The subject leaders met in groups to discuss the curriculum developments that have been made across the trust and share ideas. These days are always so valuable and the teachers are looking forward to continuing to drive the curriculum improvements forward.

Mrs Pidwell (Geography lead) and I looked through all of the Geography books this week, we were really impressed by the learning that is taking place across the school. We have been working extremely hard to ensure the children gain 'sticky knowledge' (learn things that they will remember) and I asked Year 5 to talk to me about their Mountain Rangers unit of work that they completed in September. I was blown away with the facts they could recall and the level of their secure understanding. It was great to see them so enthusiastic to share all that they had learned.

We are looking forward to holding our face to face parents' evenings next week. For some of you, it will be the first time that you will have been inside your child's classroom and possibly the school. The meetings will be held in your child's classroom so that you can see their learning environment and take a look at some of their work.

Clubs will also restart next week – keep an eye out for your club reminder.

Have a fabulous weekend, it looks like the sun will be shining! :)

Eat Them To Defeat Them!

The Eat Them to Defeat them campaign started this week. It is a National Campaign to encourage children to eat vegetables to 'defeat them.' Our Lunchtime supervisors have special stickers to give to children who eat the vegetable of the week. A mission pack has been sent home with your child. The campaign runs for the month and if you would like to send in any photo to support this campaign we would happily feature them in the newsletter over the coming weeks. The vegetable for next week is Peppers.

Let Girls Play Campaign

On Wednesday 9th March, we will be encouraging as many girls as possible to play football as part of #LetGirlsPlay. Playing football is a great way to be active but also to develop teamwork and leadership skills, increase self confidence, learn how to handle pressure and to build friendships. This campaign is aimed at providing more opportunities for girls to play football and become more active, leading to the development of these wider life skills. At break and lunchtime, the girls will have the opportunity to learn some football skills in the MUGA (weather permitting).

and lunchtime, the girls will have the opportunity to learn some football skills in the MUGA (weather permitting).

COOSE TRANNACK CROSS COUNTRY RACES SATURDAY 26TH MARCH 2022

Organised by the Friends of Trannack School

Can You Conquer Coose Trannack?

Coose Trannack is a Millennium Woodland planted by the Woodland Trust at Trannack on the outskirts of Helston. The event is open to ALL children of school age from Yr R through to U16 and this year we are once again doing an Adults Race (4800m) too!

There are medals for the top three finishers in each age and gender category and also trophies awarded to the best Primary School and Club.

Every competitor receives a certificate showing their finishing position and can keep their race number as a memento. They will also receive a goody bag containing a drink, an item of fruit and a snack bar.

For further information: Find us on Facebook **Coose Trannack**
