

Sports Funding Expenditure - Current Financial Year (2021-22)

Primary School Sport Funding Expenditure

Expenditure Information

Total amount of funding received 2021/22	£17,970
Number of pupils	197

Summary of Sport Funding spending Objectives for the year:

- To continue to improve pupils' physical fitness through enrichment opportunities
- To further education pupils on the importance of healthy lifestyles and adopt health practices and attitudes
- Raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2
- Achievement to be at least good
- All pupils to make progress in line with their peers
- Provide a range of inter-school competitions
- Promote a school culture and environment that has health and emotional well-being at its heart.
- Improve the teaching of PE to ensure all teaching is at least consistently good with increasing amounts outstanding over time.
- Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- Support and involve the least active children by providing targeted activities
- Provide greater opportunity for pupils registered as 'Gifted and Talented' in PE

- Increasing the opportunities for children to enjoy new sports and participate in intra-sports competitions

Sustainability: The impact of the sports premium money will have a long term lasting impact on Weeth Primary School and its children. The use of the money to provide intensive staff training has had a significantly positive impact to date on staff confidence and capabilities which has resulted in sustained high quality teaching across the school.

The school intends to continue to build on this CPD to enhance and enable all teaching staff to deliver high quality PE. The use of the money has had a positive impact on pupil wellbeing and fitness, which will be sustainable over time and improve wellbeing of our children.
