Message from Mrs Craig

Welcome back and hello!

What an absolute pleasure it has been to welcome the children back to school this week. I have been blown away by how friendly, polite, and welcoming everyone has been. It has been wonderful to hear about their summer adventures and see them settle so quickly into their new classroom routines. As we spoke about in our welcome back assembly on Wednesday, those initial 'back to school' nerves have gone, and we are all now looking forward to the exciting year ahead.

I'm sorry if I haven't managed to meet you properly yet but it is my intention to be outside on the gate both before and after school as much as possible. Feel free to come over for a chat at any time and if ever you need to speak more privately, please don't hesitate to contact the office to arrange an appointment to come in. Communication is so important in any school and my door is always open.

Uniform, P.E. kits and Coats

The children have all returned to school looking incredibly smart in their school uniform. I am aware that this year is a transition year across to the fabulous new school logo and with this in mind please can I reassure you that it is completely fine for the children to wear a combination of both versions. In fact, we have a number of new jumpers, sweatshirts and cardigans with the previous school logo on which we will be making available to parents at a significantly reduced price in the coming weeks. It can always be handy to have a spare jumper for those days when the washing won't dry in time! Mrs Taylor will set up a table outside as soon as we get some drier weather just in case you wish to pick up a real bargain.

After much consideration we have decided that children in Years 2-6 should continue to wear their P.E. kits to school on the correct day. This MUST now be the correct school P.E. kit. We do appreciate that everyone's circumstances are different, so please do not hesitate to get in touch if your family needs support with providing the correct school uniform or P.E. kit. Children in Foundation Stage and Year one should bring their P.E. kit into school (in a named bag) where they will get changed before their lesson each week. Part of the reason for this is that learning to dress and undress is such an important part of a child's development and learning. (We will all be thinking of Mrs Peacock and the foundation stage team on their P.E. day and wishing them luck!)

The weather has been incredibly unpredictable this week! Please make sure your child has a coat in school every day as we always try to get the children outside to play even when it is damp.

Sad news

I am sure that you were all as shocked and saddened as we were last night to hear of the Queen's death. We have taken time here in school today to share the news with the children and discuss some of the many questions they have. You will be aware that as a country we have now entered a period of mourning and that official announcements will be made in the coming days about arrangements for the funeral. We will, of course, be looking to mark the occasion and show our respects in a suitable way and will keep you updated as soon as we know more.

We have found using the BBC children's News Round editions very supportive when explaining to the children what has happened and what to expect in the coming days, so you may well find this useful too. There are also some excellent resources and guidance for parents about how to talk to children about the death of the queen at Winston's Wish – winstonswish.org.

I hope you and your families have a lovely weekend together and we look forward to seeing you all on Monday.

WHOLE SCHOOL NEWS

With communication often being a real challenge in any school, we will be introducing the digital platform, Class Dojo to all parents and carers.

Some of you may already be aware of how this works but if it is new to you, there will be a letter coming home explaining how to log in and set things up for you and your child at the beginning of next week.

Class Dojo will be the school's primary form of communication, allowing direct communication between you and your child's teacher and any adults who support your child in school. We have started to introduce the digital platform to the children this week and they have been very excited to begin receiving their Dojo points for good effort, attitude, and behaviour.

Please can I reassure you that we will be available in the coming weeks to support you with how everything works and help set things up if you come across any technical hitches in the early days. This will replace google classroom.

PE days: Week beginning Monday 12th September

This year, we will be returning to FS2 and Year 1 bringing their PE kit with them in a named bag and they will change for their PE lesson in school.

Years 2, 3, 4, 5 and 6 children can attend school in their PE clothes on the day.
