Message from Mrs Craig

Harvest Thanks

We would just like to say the hugest thank-you to everyone for your generous donations to the CPR Food Bank this week. During our Harvest Celebrations on Monday, I was able to talk to the children about the wonderful work of the volunteers and share some photos of the CPR Food Bank with them. It was a lovely opportunity for them to see where their donations would be going and to think about how important it is to share what we have with others, when we can. Each class shared a short Harvest performance of either a song or poetry written by the children. We also sang our whole school song, Harvest Calypso, managing to split into 3 parts! Super singing and plenty of smiles.

Parent/Teacher Meetings

Thank you to everyone who has already managed to sign up for a meeting after half term. If you haven't yet managed to request an appointment, please contact us as soon as possible and we will get you booked in. The first parent and teacher meeting of the year, is always a great opportunity for you to hear about how your child has settled into their new class and ask any questions you may have about the coming year.

Moving on

It is with a heavy heart that we share the news, Mrs Hocking, our incredible Special Educational Needs Coordinator will be moving on to a new job in January next year. Having had the privilege of working alongside her twice now over the years, I know what a huge difference she makes to the lives of children and families and just how much she will be missed. I also know what an incredibly difficult decision this has been for her and that even though her new position is an exciting new opportunity, saying goodbye will be hard.

Great Reading Habits

Many of you will be aware that every year the local libraries encourage children to take up the Summer Reading Challenge. I was delighted to see how many children had taken part this year from Weeth when the certificates arrived here in school. Congratulations to all the children who completed the challenge. We have seen some wonderful reading habits being developed in all year groups this half term with a huge increase in the number of children reading at home daily. Thank you so much for encouraging this, it makes such a difference to the progress your child makes. We really want children to view reading, wherever they may do it, as something to look forward to, NOT a chore 'just because it's homework!' Sharing a book, is a wonderful opportunity to spend quality time together, develop new vocabulary and generate discussion. Reading can also be a fabulous escape which is much needed from time to time. Please take time to read with your child this half term and keep up these good habits.

That just leaves me to wish you a very happy half term and we look forward to seeing you on Monday 31st October.

Mrs Craig.

RNLI visit Year 1

Year One had some very important visitors from the RNLI this week. We learnt all about water safety as well as the different flags that are used at the beach to keep us safe.

The four rules are:

1. Stop and think
2. Stay together
3. Float
4. Call 999/112

To be safe in the water you need to be able to confidently float on your back for at least 1 minute. If you are planning on going swimming this half term why don't you try it. We also learnt about the importance of being able to explain where you are to the emergency services should you ever need to call 999.

The 'What 3 Words' app is completely free and can be used to tell the emergency services your precise location, within a 3 metre square, anywhere in the world. Why not download it today!

WHOLE SCHOOL NEWS

Football News

By Mr Allen

On Tuesday, the football team played their next away match at Treloweth School. After a very hard working and courageous performance we ended up losing 2-1 to an outstanding team. We battled hard and came very close to snatching a draw at the end. In particular, there were some great tackles by Conor, excellent saves from Alfie and a lovely team move from Josh, Tyler and the goal scorer Harley. Miss Kitchin and I are immensely impressed with the resilience, attitude, and hardworking ethic in the team. We are also incredibly proud of the team and parent comments about how much progress the team has made has been great to hear. The team appreciate the support of the parents and look forward to the first win of the season very soon.

Player of the Match - Conor

After School Surf Club

On Monday afternoon, the sun was shining for the last after school surf club for this term. Mr Allen, Mrs Williams and Miss Kitchin were super impressed with all of our surfers and the huge progress they made in only 3 lessons. We are looking forward to surf club running again in the summer term.

A big thank you to Shore Surf, Miss Kitchin, Mr Allen and Mrs Williams for running/supporting this after school club.

The Packet Newspaper

Look out for Mrs Peacock's FS2 class in this week's Packet Newspaper (Camborne/Redruth edition)

Reminder : Reporting Absence

If your child is absent from school, it is important that you let the school office know please. The school absence line is open 24 hours a day.

Reminder : Pupil Information Sheets (Years 1-6)

Years 3-6 pupil information sheets have been sent home. We would very much appreciate it, if you can review, sign and return these to the school office.

Years 1 and 2 pupil information sheets will be sent home the week after half term.

Reminder Year 6 Parents: The deadline for your child's secondary school application is Monday 31st October.

SUPERSTARS

Superstars

This week's class superstars are:

Weeth Primary School, throughout the year, distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not endorse these services.
