Lunch Menu - w/c 26th September 2022 : Week 3

Message from Mrs Craig

It has been another wonderfully busy week here in school. The children have all settled into the rhythms of the school day and we have seen some fabulous learning taking place across the school in all classes. This week, I was particularly impressed by the art work in Year one which was inspired by Mondrian and provided a great opportunity to practice their cutting skills. There has also been some fantastic learning and exploring in the outdoor area of Foundation Stage, with the children designing their own obstacle courses with at least 3 obstacles.....some of them were too tricky for me!

We even managed to squeeze in our first whole school fire drill and couldn't have been prouder of how quickly and sensibly the children were able to evacuate the building and line up safely on the playground. A particularly big thank you to our older children who were excellent role models for all the first timers.

Keeping fit and healthy

Here at Weeth we strongly believe that physical activity has the ability to bring people together and to positively impact on ALL of our physical, mental and social wellbeing. For this reason, our curriculum is designed to provide daily opportunities for the children to engage in heart healthy, physical activity, whether through play or taught P.E. sessions. This week we took the opportunity to raise awareness of its importance by taking part in National Fitness Day. On Wednesday morning, there was great excitement as we all gathered together in the hall to take part in a National 'Wake and Shake' session. Adults and children alike joined in and it wasn't long before heart beats were racing and faces glowing! A fabulous way to start the day and help promote the importance of keeping fit and well. Huge thanks to Miss Kitchin for organising the event.

Coughs, Colds and Nits!

Yes, I'm afraid it's that time of year again. With the return to school in September the inevitable coughs and colds are back. Please can we reassure you that **as long as your child doesn't feel too unwell**, it is fine for them to be in school. As a parent, I know how tricky it can be in the morning to work out if your child is well enough to go to school or not. Sometimes we keep them home only to find them bouncing off the walls by 10am!

After the events of the last few years the children are much better at recognising the importance of reducing the spread of germs. Regular hand washing remains in place, sneezes quickly caught in tissues and placed in bins. It will be particularly important in the coming weeks to make sure your child brings a coat to school with them every day as the temperatures start to drop.

We have also had a number of cases of headlice this week. Please can you take the opportunity to check your child this weekend and we recommend that all long hair is tied back when in school. If you would like any advice about how to treat headlice, please don't hesitate to speak with us for some top tips. (I feel like an expert after years of treating my own children!)

Congratulations to Year one who are the first class to reach 100% of parents linked up to Class Dojo! If you haven't been able to log in yet, I will be getting in touch next week to see if we can help in any way.

Year 6 - 97% Year 5 - 88% Year 4 - 93% Year 3 - 96%

Year 2 - 93% Year 1 - 100% FS - 96%

It is very important that you sign up as this will be our primary form of communication between school and home.

That just leaves me to wish you all a super weekend and we look forward to seeing you all on Monday.

Mrs Craig

NATIONAL FITNESS DAY

National Fitness Day

Wednesday 21st September was National Fitness Day. On this day, there was a whole school (staff included) 'Wake and Shake' dance session in the Hall and Year 6 completed their Active Mile by walking or running laps around the school playground.

WAKE 'N' SHAKE

1 mile is equal to 1609.344 metres

KS2 Girls Football Event

On Tuesday 20th September, 12 girls from Years 3-6 attended Trevithick Learning Academy to take part in a Football Skills session. The girls showed an incredible desire to learn, hone their skills and have lots of fun! It was wonderful to see the girls have a lovely time and be inspired by the summer success of our wonderful victorious Lionesses. Well done to all who took part! Thank you to Mrs Brown and Mr Allen for accompanying and supporting the group. We also have a girls football club after school on Wednesdays, it still has spaces if anyone would like to join.

Starting school

September 2023

Applying for a place in a reception class for children born between 1 September 2018 and 31 August 2019

Attending a nursery or pre-school
You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
