### Message from Mrs Craig

#### **Remembrance**

Today we held a very special Remembrance Day Assembly to remember all those whose lives have been lost and affected by wars and conflicts. We were able to observe the 2 minute silence together in the hall and are very proud of all the children who showed great respect throughout the time of reflection. Thank you to our Year 6's who led the moment of silence by reading from the Laurence Binyon's poem, "For the Fallen" and for reading our reflection.

A small group of our Year 6 children were also able to attend the Royal British Legion – Youth Remembrance Service at Camborne Parish Church War Memorial and lay a poppy wreath on behalf of Weeth School.

Thank you to everyone who donated money and/or purchased poppy merchandise from the office this week. We have created a Remembrance display in the hall so if any children want to make, draw or paint a poppy over the weekend to add to the display, please bring into school next week.

#### **Thanks from CPR Foodbank**

This week we received a beautiful card from the CPR Foodbank. The card read:

"I write on behalf of the Camborne, Pool and Redruth Foodbank to say a heartfelt thank you for your recent generous donation. Please be assured that it will be put to the best possible use for those in need."

Thank you to everyone who contributed to the donations at our Harvest Festival before half term.

#### **Odd Sock Day**

Next week is anti-bullying week. This is always an excellent opportunity to highlight our 'Zero tolerance to Bullying' approach here at Weeth School. On Monday we will be taking part in the Anti-Bullying Alliance 'Odd Sock Day'. Everyone is invited to wear odd socks to school! It's an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique!

If your child would like to design an Anti-Bullying poster at home and bring it into school next week - that would be wonderful.

### **Nits!**

We have seen an increase in the number of case of nits / lice. Please can we ask you to check your child's hair this weekend. One of the most effective ways of treating and preventing nits is wet combing.

Lice and nits can be removed by wet combing. You should try this method first.

You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and nits.

There may be instructions on the pack, but usually you:

- wash hair with ordinary shampoo
- apply lots of conditioner (any conditioner will do)
- comb the whole head of hair, from the roots to the ends

It usually takes about 10 minutes to comb short hair, and 20 to 30 minutes for long, frizzy or curly hair.

Do wet combing on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17.

The link below will take you to the NHS website where you can find more advice.

### **Christmas Plans**

With Christmas fast approaching, we are aware that diaries fill up very quickly, so have provided a list of the various Christmas activities and events here in the coming weeks. There will be no cost attached to any of these events, although donations can be made if you are in a position to do so. We will be asking the children to bring in an orange when we make our Christingles and we are going to wear Christmas Jumpers on Christmas dinner day.

If you have any old or 'too small' Christmas jumpers that you would like to donate, we will ensure these are distributed to children and families in school who may need them.

### **Cinema Trip Reminder**

Finally, a reminder that our Cinema trips are next week! Please ensure you have returned your permission slips and payment by Monday.

That just leaves me to wish you a wonderful weekend,

We look forward to seeing you all on Monday,

Mrs Craig .
