Message from Mrs Craig

Welcome back

I hope you all had a good half term holiday, it was lovely to welcome the children back this week and hear about their adventures. It felt strange returning to school on Halloween which can lead to some very tired eyes the next day - but it seems the children managed to celebrate in style despite the weather and make it through the rest of the week!

Parents Evenings

Thank you so much for the fantastic response to our parent / teacher meetings this week. A wonderful opportunity to discuss how the children have settled into their new classes and to have a look at their books. If you were unable to attend this week, your child's class teacher will be in touch to arrange another time or a phone appointment if that is easier.

Unfortunately, we needed to cancel the Year 2 and 3 parents meetings at short notice, but we will be in touch as soon as we can to re-arrange a time and date.

Road Safety

You will be aware that there was a nasty collision between a car and one of our children this week after school. Although the injuries are not too serious, the event obviously left everyone feeling shaken and worried. I would like to thank you again for the consideration shown by all who were in the area at the time and for the support and well wishes received.

I have been in touch with the police this week and they have agreed to come and talk to our children in assembly about road safety. We are also in discussions about the possibility of a Lollipop person / School crossing patrol or a zebra crossing for the school. I will keep you updated with any progress!

Year 6 Prefects

We were delighted to award the first of our Year 6 Prefect ties and badges today. Thank you to all the parents and carers who were able to attend the event and share in the celebration. We are all feeling very proud of the children who have worked so hard to earn this status and I know they are looking forward to fulfilling their roles and responsibilities here in school.

Hedgehog Rescue!

We had an unexpected visitor to school this week: a baby hedgehog. Our newly named friend 'Lady Prickle' was kindly rescued and taken home by Dominic and Tilly - with the hope of giving her some food and releasing her into the hedgerows around their home. Fortunately, the family have had previous experience of successfully rescuing hedgehogs and knew just what to do. We have since found out that Lady Prickle was so happy with her temporary new home that she has decided to hibernate where she is!

It would seem that Dominic and Tilly will be caring for her a lot longer than planned, but they have promised to keep us updated in the coming months.

Jewellery Reminder

Please can we remind you that the children should not be wearing any jewellery to school, including friendship bracelets. Earrings are allowed if they are small studs.

And finally.....

We spoke to the children in assembly today about how to stay safe this weekend with Bonfire Night. The safest way to enjoy the fireworks is definitely at an organised event or from the bedroom window! We have given them a reminder about how to use sparklers safely and not to pick up fireworks packaging or shells if they find them the following day. However you choose to enjoy the celebrations, please take care and ensure your pets are tucked up safe and sound inside.

We look forward to seeing you all on Monday,

Mrs Craig .

Reminder : Naming items

Please can we ask, now the colder weather is approaching, that all coats, hats, scarves etc brought into school are named. We have a collection of unnamed coats in lost property.

Reminder : Individual School Photos

On Wednesday 9th November, Tempest will be in school to take individual school photos of our pupils and sibling groups where children attend the school.

If you **do not wish** your child to have their photo taken please contact the school office, via email, Dojo or telephone.
