Lunch Menu - w/b Monday 1st May 2023: **New Menu Week 3**

Message from Mrs Craig

It's been another fabulous week of learning here at Weeth and we refused to let the wet weather dampen our spirits, even if it did mean we had to postpone our Class Photos! That was a bit disappointing, but we have re-booked for the 22nd May, so fingers crossed for a sunny day.

Our afterschool club Tigers have had a fantastic week learning all about Volcanoes and even making their own. There was so much excitement after school today when they actually got to watch them erupt! I thought for a minute that it was going to be more than just the volcanoes erupting as the excitement in the room was building 😊 Lots of laughter and fun, well done everyone.

The children have also been practicing their singing and dancing ready for Trevithick Day on Saturday. They are all looking and sounding wonderful! Hopefully we will see lots of you there, either to cheer on the dancers or watch the singing on the Choir Stage (Church Street) at 11.45am. Please don't forget that the children who are singing need to wear school uniform however, if you are dancing first, there is no need to change out of your costume.

I'm looking forward to enjoying a pasty and heading along to see the steam engines after the singing, so may well see you there.

We are looking forward to seeing you next week to hear all about your Bank holiday weekend adventures.

Mrs Craig.

NEWS

New School Banner

We are very grateful to Freedom Signs who have kindly sponsored our new school banner. We were very excited to see it today and it will have its first outing, leading our dancers at Trevithick Day. Many thanks.

School Art Competition

If you are heading to Trevithick Day, check out our School Art competition entry in the Masonic Hall, Cross Street. It has been based on the work children completed last term.

Year 3: Class News

Our inspirational person for this term is Sir Isaac Newton. For our inspirational day, we made wigs so we could look like Isaac Newton. We found out a lot about him and how he made ground breaking discoveries that have a huge impact on us today!

This afternoon we were learning about and using Newton meters. These were named after our inspirational person. What a legacy to leave behind.

For your information

Year 4 : Times Tables Star of the Week

This week we introduced our Times Table Rockstar of the Week. This is to shine a light on the child who has been consistently trying to improve their results.

This week it was super tough to decide who the award goes to however, Harriet has shown a remarkable improvement with her times table practise and is always looking for ways to improve herself.

Well done Harriet keep up the fabulous learning!

Pupil Achievements

Effie has been dancing with VOX Dance Studios since she was 3 and then at 4 went on to compete for them in ballet, tap, modern, musical theatre and street. On the 2nd of April she competed in the Street Dance Challenge UK

competition in Taunton and came 2nd out of 6 for her solo (free styling) to which she is now 2nd in the South West for her age and also achieved another 2nd that day for her group dance 'little rascals'. Effie has a major passion for dance and absolutely loves competing in many competitions throughout the year! We are very proud of her!
