## 7th July 2023

Lunch Menu - w/b Monday 10th July 2023: **Menu Week 1**

### Message from Mrs Craig

This week it was the turn of the Year 3 and 4 children to set out on camp, this time to Porthpean. Three jam packed days of fun and adventure where the children (and adults) had the opportunity to embrace and overcome some huge personal challenges! Once again, the high ropes activity proved exhilarating for all and a real highlight. There was a silent disco, Cornish story telling and singing, a full day of water sports – Kayaking and mega SUP, getting very wet from a torrential down pour (not the sea!) seeing cormorants, exploring caves, spotting seals, disembarking at an inaccessible cove AND even managing a swim J . The children tell me that the food was amazing and that their sleeping pods were so much fun to sleep in after some exhausting days. Everyone was very relieved that Mrs Archer managed to wiggle and squeeze her way out of the indoor caving activity and what with rock climbing and laser tag, I think everyone really appreciated their beds and a good nights sleep on their return. Well done to all the children who showed so much resilience, we are all very proud of you.

The children in Year 3 and 4 who remained in school had a very busy few days too! There was cake making and decorating followed by a trip to the park, where the weather was kind and stayed sunny. A trip to Trevaskis farm where the children enjoyed finding out about the different fruits and veg grown - picking (and eating) some. There was even a chance to meet some of the animals and enjoy a picnic lunch together before heading back to school. Added into the mix was a sports morning, an arts and crafts afternoon where the children had their first taster of felting and even an afternoon of drumming techniques! So much fun was had by everyone and there has been a real buzz around school as the children share their experiences with one another. I think everyone is looking forward to a quiet weekend to rest and recover.

The children have all had the opportunity to spend some time in their new classrooms again this week – getting to know their new teacher and the environment. We have all been so impressed with how well the children have embraced the opportunity and many have been sharing with me how excited they are about September. Whilst change can sometimes be tricky, we know that this important transition time is helping settle some nerves and ensuring the children are well prepared for their return in September.

# WHOLE SCHOOL

# NEWS

It has been really lovely to welcome the children and parents of our new Reception class too, the new members of our Weeth family. Transition for our Year 6 children to their secondary schools starts next week - which I know they are looking forward to with both excitement and apprehension. I know Year 6 have been rehearsing for their end of year 'showcase' and are looking forward to their end of year treats and activities, whilst taking time to reflect on their journey through Weeth School. We couldn't be prouder of them!

That just leaves me to wish you all a lovely weekend and we look forward to seeing you all on Monday,

Mrs Craig 😊

### Transition Sessions

A few photos from the various transition activities that took place this week and also below is a list of the class teachers for the new academic year for your reference.

### Class teachers for September 2023

Year Group	Class Teacher
FS2	Mrs Peacock
Year 1	Mrs Pidwell
Year 2	Miss Tonkin
Year 3	Mrs Kirby
Year 4	Mrs Archer
Year 5	Miss Croxen
Year 6	Mr Savage

#### REMINDER:

#### Uniform Swap boxes

There are labelled boxes in the school entrance where you can donate or swap uniform. Please feel free to take a look.

#### REMINDER:

#### Outstanding Payments on ParentPay

Please can we ask that any outstanding items on ParentPay are brought up to date by the 31st July.

If any queries or concerns please contact the school office or Mrs Craig.

#### REMINDER:

#### Lost Property Naming items for September

We have accumulated a large amount of un-named items this year, please can we ask, as you are planning for September, for everything to be named including jumpers, coats, hats and water bottles, PE kit, many thanks.

# NEWS

## Hidden figure

Mary Jackson a historical figure, who, worked at NASA which was very new, she fought to work since she was black, and a woman, which NASA lacked.

A woman in maths which NASA lacked, people said she would get sacked, segregation would tear her dreams apart, which would try to break her precious heart.

A school for white people she fought, her chances of going - practically nought she fought and fought and at once she was taught.

At night she would shine, but people thought she couldn't design, she became a NASA engineer, the highlight of her career.

She worked away from the whites, which was against her rights, a toilet she had to run to, 15 minutes it would take her to get to the loo.

Mary Jackson was a fine lady, But NASA tried to keep her shady, Her fight was a success, And everyone was very impressed.

By Bobby and Amber

## Year 5 : Class News

Year 5 Poetry : In Year 5 this week we have been writing poems based on our text Hidden Figures. This text is about four African America women who worked at NASA during the years of the Space Race. These women weren't acknowledged at the time for their achievements whilst working at NASA because of their race and gender. We wrote poems to reflect their stories and their challenges.

### Dorothy Vaughan

Dorothy Vaughan, a historical figure, who was hidden, her dreams of working at NASA, nearly forbidden. She was a woman who was also black, and because of this, she was constantly under attack.

This women faced a lot of horrible people in her day, but at home each night she prayed, that things would change for the better, so she sent off her application letter.

A job at NASA she was given, her love of maths kept her driven, to achieve her dreams and goals, she had to ignore the terrible trolls.

The next day, she managed to be a human computer, and eventually she became a tutor. She fought against the rights, until eventually she could see the light,

so Dorothy did not stop, she kept on fighting until segregation was chopped, then she became a very famous engineer, she was a real pioneer.

By Eden

## Sports News

Camborne Science and International Academy (CSIA) held their annual Primary Sports Alliance Celebration Evening on Tuesday 4<sup>th</sup> July. We are very proud to report that the following received awards:

Year 3 Harrison and Jake

Year 4 Lizzie

Year 5 Oscar and Sienna

Year 6 Lacey, Conor, Erin, Bethany and Josh.

Also, congratulations to Erin and Sienna who also performed in the dancing. Originally there were 12 dancers however, on the night only four dancers performed two of which were from Weeth. A very big well done to all.
