Message from Mrs Craig

As many of you will know, the Weeth Rainbow and the 3 I's (Inspire, Influence and Impact) are very important to us and a real focus across the school throughout the year. The concept behind our Rainbow, is that everyone who attends Weeth school is a raindrop, the sun shines on us and together we create the Rainbow. Every term each class has an Inspirational Person as their focus and we explore ways in which they 'Inspire' us, the 'Influence' they have in the world and the 'Impact' of this. We then reflect on ways we can individually Inspire, Influence and have an Impact within our own community and beyond.

To start the school year, our focus rainbow colour is red – Respect. In assembly on Monday I spoke to the children about what it means to show respect to others and how we should also respect ourselves. We thought about people we have a lot of respect for and what helps us to respect them so much. This theme of Respect runs throughout the whole school year and is something we will continue to explore regularly with the children.

Congratulations

We all want to say a huge well done to all the Foundation Stage children who have completed their first full week in school! They have settled in incredibly well, finding their feet and getting used to all the new routines. I have a feeling there will be some very tired children making their way home on Friday and the weekend will be very welcome. Keep up the great work Foundation Class. We would also like to welcome some new children and their families who have started school this week in other classes and are beginning their journey as part of the Weeth family.

Headteacher awards

I am delighted to have been able to give out some Headteachers Awards this week. Well done to Eden in Year 6 for some fantastic homework, Violet in Year 6 for settling into Year 6 well and having a completely 'Green' week, Acacia in Year 5, for fabulous effort returning to school after her operation and producing some great writing about the Seaside. And finally, Ollie in Year 6 for overcoming some personal challenges and making some great progress particularly with his reading. Great effort all round, we are very proud of you.

PTA

We would really like to get the PTA properly up and running again this half term. A few parents have come forward to say that they would like to get involved in helping us fund raise and plan out some events across the school year. If you would like to get involved, please can you let us know via Class Dojo, or in the Office and then we can plan a date for our first meeting. Thank you.

And finally, just a reminder that Camborne School are holding an open evening on Monday 18th September from 5.30-8.30pm for any parents of children in Year 6. This is an opportunity to visit the school and ask any questions you might have about transition to secondary school and to inform your choice.

That just leaves me to wish you a lovely weekend and we look forward to seeing you all on Monday morning,

Mrs Craig 😊

Bike/Scooter Helmets

Wearing a helmet is recommended and very common with regular cyclists. At Crofty we encourage children to wear a helmet regardless of if you are riding on the road or not.

The Statistics

A major study of bike helmet use around the world taken from more than 64,000 cyclists has found cycle helmets reduce the risk of:

Head injury by 51%

Serious head injury by 69%

Face injury by 33%

Fatal head injury by 65%

Modern cycle helmets are very light, comfortable and easy to wear. The chances of a bike helmet saving your life, or at least reducing the severity of an injury, are high enough to make it worth wearing one. So do you have to wear a bike helmet? You are not required to wear a bike helmet by law. However, there are plenty of statistics to show why wearing a Bike Helmet in the UK is particularly beneficial..

Applying for a secondary school place for September 2024

Special Educational Needs

If an Education, Health and Care (EHC) Plan has been issued for your child you do not need to complete an application form. Please contact the Statutory SEN Service for more information: Tel: 01872 324242 Email: statutorysen@cornwall.gov.uk

1 Decide on your preferred schools

You are strongly advised to name **three** preferences on the application form. Naming a second or third preference does not give you any less chance of getting a place at your preferred school. When making your decision you should...

...think about how your child will get to school. Go to www.cornwall.gov.uk/schooltransport for more information on whether your child would be entitled to home to school travel assistance.

...look at the admission arrangements on our website that will be used to allocate places for each school.

...consider naming your nearest or designated school as one of your preferences. You can find your nearest or designated school on our website.

...look at the detailed admissions information on our website, also available on request.

2 Submit your application by 31 October 2023

Apply online at www.cornwall.gov.uk/admissions

3 Wait to find out which school you have been allocated

If you applied on time you will be notified of your allocation on **National Offer Day: 1 March 2024**. **Apply on time!** Late applications will only be dealt with after National Offer Day and there may not be any places left at your preferred schools.
