Message from Mrs Craig

What a fantastic response to our Sponsored Read and Book Swap this week! There has been such a wonderful buzz around school and it has been a delight to see the children so excited about sharing their books. Thank you so much to everyone who donated books into school for the swap – such generosity from so many and every child was able to choose some fantastic books to take home. I think this is something which will become a firm favourite on the school calendar and something it might be good to do each term. Money from the Sponsored Read is also rolling in and we will update you next week with the final total raised once it has been counted up. The children are all looking forward to choosing some new books for the library 😊

I can confirm that our first PTA meeting will be held here in school on Tuesday 10th October at 2.30pm and anyone who would like to get involved in some fund raising for the school is invited to attend. We appreciate that this time may not be convenient for everyone, but we can look at moving the times of meetings going forward and information about what is discussed can be shared with anyone who can't attend but would like to help out.

I popped a post on Dojo this week about bringing coats to school as the weather is so changeable now. We like to get the children outside, even if the weather is a bit damp or chilly and it is important, they have a coat even if it seemed sunny when you set out that morning! Can I also remind everyone about naming items of uniform, particularly jumpers, cardigan and coats. We seem to have piles of these in lost property and cannot return them to their owners because they aren't named.

NEWS

Once again I have been delighted to be able to award a number of Headteacher Awards this week. Well done to Rylee (Year 6) for his incredible resilience in maths, to Evie (Year 2) for her powerful and descriptive writing about wolves and to Oakley (Year 5) for his incredible effort to join his handwriting. Jowan (Year 4) received recognition for his improved listening skills, Rachel (Year 6) for her resilience in Science and Harrison (Year 3) for his fabulous story writing. As always, we are incredibly proud of all the children for their hard work and Dojo's have been awarded to all children with a 'Green' week this week.

Next week, is Democracy week in school and the children will have the opportunity to vote for their class representative for the School Council. In my assembly on Monday, I spoke to the children about the British Value – Democracy, and we explored why this is important and what it means. All the classes will be giving this a special focus next week with voting taking place on Wednesday in the hall. Children who would like to put themselves forward to be a class representative are invited to write a short speech to share with their class about why they would like to do it. Results day will be on Monday 9th October.

And, that just leaves me to wish you a wonderful weekend and we look forward to seeing you all again on Monday.

Mrs Craig 😊

Weeth Sponsored Read

Thanks so much for all the support for our Sponsored Read event. If the rumours are true we could be well on our way to raising an enormous amount of money. There has been loads of great reading going on too. If you haven't started yet - there's still time. Set a target for weekend reads/to read a story to a sibling or relative or even to read for a set period of time without stopping! Get some sponsors and get the money into school. Remember - you can pay by ParentPay or by dropping the cash into the school office. Many thanks for your continued support, Mr Warren

Attendance Focus

Arriving late can affect your child's attendance!

Every minute counts

Lateness = lost learning

(Figures below are calculated over a school year)

5 minutes late each day	3 days lost!
10 minutes late each day	6.5 days lost!
15 minutes late each day	10 days lost!
20 minutes late each day	13 days lost!
30 minutes late each day	19 days lost!

Don't let your child miss out!

What you can do:

- Have a regular routine for the start of each day.
- Help your child get their clothes and equipment ready before they go to bed.
- Set a reasonable bed time to make sure they get enough sleep.

Get your child to school on time. If they are late they have a bad start to the day.

If your child arrives late for class:

- They miss out on important learning, which could affect their achievement.
- They don't have the social time to settle into class.
- It can be embarrassing for them.
- They may disrupt the learning of the rest of the class.
